**3M**

## 3M™ VHB™ Tape RP Family

RP25 - 0.6mm, RP45 - 1.1mm, RP62 - 1.6mm  
(Product – Thickness)

All acrylic construction gives 3M VHB RP extraordinary strength, conformability and versatility. The composition of 3M VHB RP resists UV and weather damage, making it a great solution for outdoor applications. 3M VHB RP bonds to a wide variety of surfaces, including:

- Glass
- Metal
- Some plastics
- Composites
- Sealed wood

## 3M VHB Tapes RP

give you  
market leading performance &  
support at a price that suits your budget.
